COURSE DETAILS

The textbook is divided into seven units. Each unit takes 3 or 4 lessons and focuses on a different kind of speech. In each unit you will:

1. Listen to an example speech
2. Learn useful phrases and vocabulary for your speech
3. Practice skills such as posture, body language, gestures, and intonation
4. Prepare your own speech
5. Give your speech in front of the class

During weeks 15~17 you will make a short group presentation using PowerPoint and give it to the class. Each group will be 4~5 members and your presentation should be over 5 mins.

In weeks 28~30 you will make your final individual presentation. You will use PowerPoint to give a 4-minute presentation.

From lessons 26-29 students will prepare and a 5 – 10 minute presentation as part of a group. Each group will choose a topic together (related to science/engineering) and research that topic. Together they will write a presentation and make visual materials (e.g., posters, Powerpoint presentations)
